C. Areas of Interest² (At least 18 units)	
D. Master's Thesis	6.0
Total Number of Units	36- 42 units (For IO and Dev Psych Students)

¹ These courses must be taken by entering graduate students who did not receive their undergraduate training at the UP Department of Psychology-Diliman. Note that the total number of units does not include these prerequisite requirements.

² These courses may be taken in one area (i.e., Clinical, Developmental, Experimental, Industrial-Organizational, Personality, Philippine Psychology, Social) and will be referred to as one's area of concentration. However, the student may also opt to follow a more general track and select courses of interest from the different areas in Psychology. Selection of all courses in this section must be discussed and decided upon with one's program adviser.
