¹ For entering graduate students who did not obtain their undergraduate training from the Department of Psychology, UP Diliman. Student may also opt to take validation exams in these areas. If student passes the exam, there is no need to take that particular prerequisite course. Note that total number of units does not include this prerequisite requirement.

Note: Those doing the Ph.D. with an MA in Psychology from the UP Department of Psychology need not take Psych 206, 210, 212 and 220 again.

² These breadth courses should be chosen from the following:

- Psych 224 (Industrial-Organizational Psychology)
- Psych 252 (Theories of Personality)
- Psych 272 (Theories in Developmental Psychology)
- Psych 282 (Theories in Social Psychology)
- Psych 308 (Philippine Psychology)
